UNIFORM COMPLAINT PROCEDURES (continued)

4. A complaint alleging unlawful discrimination, (such as discriminatory harassment, intimidation, or bullying) may be filed only by a person who alleges having personally suffered unlawful discrimination, a person who believes that any specific class of individuals has been subjected to unlawful discrimination, or a duly authorized representative who alleges that an individual student has been subjected to discrimination, harassment, intimidation, or bullying. The complaint shall be initiated no later than six (6) months from that the alleged unlawful discrimination occurred, or six months from the date that the complainant first obtained knowledge of the facts of the alleged unlawful discrimination. The time for filing may be extended for up to 90 days by the Superintendent or designee for good cause upon written request by the complainant setting forth the reasons for the extension. (5 CCR 4630)
5. When a complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) is filed anonymously, the compliance officer shall pursue an investigation or other response as appropriate, depending on the specificity and reliability of the information provided and the seriousness of the allegation.
6. When the complainant of unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) or the alleged victim, when not the complainant, requests confidentiality, the compliance officer shall inform the complainant or victim that the request may limit the district's ability to investigate the conduct or take other necessary action. When honoring a request for confidentiality, the district shall nevertheless take all reasonable steps to investigate and resolve/respond to the complaint consistent with the request.

Mediation

AR 1312.3 (d)

Within three business days after receiving the complaint, the compliance officer may informally discuss with all the parties the possibility of using mediation. Mediation shall be offered to resolve complaints that involve more than one student and no adult. However, mediation shall not be offered or used to resolve any complaint involving an allegation of sexual assault or where there is a reasonable risk that a party to the mediation would feel compelled to participate. If the parties agree to mediation, the compliance officer shall make all arrangements for this process.

Before initiating the mediation of a complaint alleging retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the compliance officer shall ensure that all parties agree to make the mediator a party to relevant confidential information. The compliance officer shall also notify all parties of the right to end the informal process at any time.

If the mediation process does not resolve the problem within the parameters of the law, the compliance officer shall proceed with an investigation of the complaint.

The use of mediation shall not extend the district's timelines for investigating and resolving the complaint unless the complainant agrees in writing to such an extension of time. If mediation is

UNIFORM COMPLAINT PROCEDURES (continued)

successful and the complaint is withdrawn, then the district shall take only the actions agreed upon through the mediation. If mediation is unsuccessful, the district shall then continue with subsequent steps specified in this administrative regulation.

Investigation of Complaint

AR 1312.3 (e)

Within 10 business days after the compliance officer receives the complaint, the compliance officer shall begin an investigation into the complaint.

Within one business day of initiating the investigation, the compliance officer shall provide the complainant and/or the complainant's representative with the opportunity to present the information contained in the complaint to the compliance officer and shall notify the complainant and/or representative of the opportunity to present the compliance officer with any evidence, or information leading to evidence, to support the allegations in the complaint. Such evidence or information may be presented at any time during the investigation.

In conducting the investigation, the compliance officer shall collect all available documents and review all available records, notes, or statements related to the complaint, including any additional evidence or information received from the parties during the course of the investigation. The compliance officer shall individually interview all available witnesses with information pertinent to the complaint, and may visit any reasonably accessible location where the relevant actions are alleged to have taken place. At appropriate intervals, inform both parties of the status of the investigation.

To investigate a complaint alleging retaliation, unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) the compliance officer shall interview the alleged victim(s), any alleged offenders, and other relevant witnesses privately, separately, and in a confidential manner. As necessary, additional staff or legal counsel may conduct or support the investigation.

A complainant's refusal to provide the district's investigator with documents or other evidence related to the allegations in the complaint, failure or refusal to cooperate in the investigation, or engagement in any other obstruction of the investigation may result in the dismissal of the complaint because of a lack of evidence to support the allegation. Similarly, a respondent's refusal to provide the district's investigator with documents or other evidence related to the allegations in the complaint, failure or refusal to cooperate in the investigation, or engagement in any other obstruction of the investigation may result in a finding, based on evidence collected, that a violation has occurred and in the imposition of a remedy in favor of the complainant. (5 CCR 4631)

In accordance with law, the district shall provide the investigator with access to records and other information related to the allegation in the complaint and shall not in any way obstruct the investigation. Failure or refusal of the district to cooperate in the investigation may result in a

finding based on evidence collected that a violation has occurred and in the imposition of a remedy in favor of the complainant. (5 CCR 4631)

UNIFORM COMPLAINT PROCEDURES (continued)

Timeline for Investigation Report

AR 1312.3 (f)

Unless extended by written agreement with the complainant, the compliance officer shall prepare and send to the complainant a written investigation report, as described in the section “Investigation Report” below, within 60 calendar days of the district’s receipt of the complaint. (5 CCR 4631)

For any complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, and bullying), the respondent shall be informed of any extension of the timeline agreed to by the complainant. The respondent also shall be sent the investigation report at the same time it is provided to the complainant.

For any complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, and bullying), the respondent shall be informed of any extension of the timeline agreed to by the complainant, shall be sent the district’s investigation report and, in the same manner as the complainant, may file a complaint with the Board if dissatisfied with the decision.

Investigation Report

AR 1312.3 (g)

For all complaints, the district’s investigation report shall include: (5 CCR 4631)

1. The findings of fact based on the evidence gathered.
2. A conclusion providing a clear determination for each allegation as to whether the district is in compliance with the relevant law
3. Corrective action(s) whenever the district finds merit in the complaint, including, when required by law, a remedy to all affected students and parents/guardians and, for a student fees complaint, a remedy that complies with Education Code 49013 and 5 CCR 4600
4. Notice of the complainant's right to appeal the district's investigation report to CDE except when the district has used the UCP to address a complaint not specified in 5 CCR 4610

UNIFORM COMPLAINT PROCEDURES (continued)

In consultation with district legal counsel, information about the relevant part of an investigation report may be communicated to a victim who is not the complainant and to other parties who may be involved in implementing the investigation report or are affected by the complaint, as long as the privacy of the parties is protected. In a complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, and bullying), notice of the investigation report to the alleged victim shall include information about any sanction to be imposed upon the respondent that relates directly to the alleged victim.

If the complaint involves a limited-English-proficient student or parent/guardian and the student involved is enrolled in a school at which 15 percent or more of the students speak a single primary language other than English, then the investigation report shall also be translated into that language pursuant to Education Code 48985. In all other instances, the district shall ensure meaningful access to all relevant information for parents/guardians with limited English proficiency.

For complaints alleging unlawful discrimination based on state law, (such as discriminator harassment, intimidation, and bullying) the investigation report shall also include a notice to the complainant that:

1. The complainant may pursue available civil law remedies outside of the district's complaint procedures, including seeking assistance from mediation centers or public/private interest attorneys, 60 calendar days after the filing of an appeal with the CDE. (Education Code 262.3)
2. The 60 days moratorium does not apply to complaints seeking injunctive relief in state courts or to discrimination complaints based on federal law. (Education Code 262.3)
3. Complaints alleging discrimination based on race, color, national origin, sex, gender, disability, or age may also be filed with the U.S. Department of Education, Office of Civil Rights at www.ed.gov.ocr within 180 days of the alleged discrimination.

(cf. 4118 - Dismissal/Suspension/Disciplinary Action)

(cf. 4218 - Dismissal/Suspension/Disciplinary Action)

The district may also consider training and other interventions for the larger school community to ensure that students, staff, and parents/guardians understand the types of behavior that constitute unlawful discrimination, (such as discriminatory harassment, intimidation, or bullying) that the district does not tolerate it, and how to report and respond to it.

When a complaint is found to have merit, an appropriate remedy shall be provided to the complainant or other affected person.

However, if a complaint alleging noncompliance with the laws regarding student fees, deposits, and other charges, physical education instructional minutes, courses without educational content, or any requirement related to the LCAP is found to have merit, the district shall provide a remedy to all affected students and parents/guardians subject to procedures established by regulation of the State Board of Education.. Upon notification by CDE that the district's investigation report has been appealed, the Superintendent or designee shall forward the following documents to CDE within 10 days of the date of notification: (5 CCR 4633)

1. A copy of the original complaint
