

WAIVERS

The Governing Board recognizes that circumstances may arise in the operation of the district that require a waiver from state law or regulation. When it is in the interest of district students, the Board may request that the State Board of Education (SBE) waive any provision of state law or regulation which SBE has authority to waive pursuant to Education Code 33050.

Any waiver request to be submitted to SBE shall first be approved by the Board. The Superintendent or designee shall ensure that each proposed waiver request includes all information necessary for the Board to analyze the need for the waiver and make an informed decision.

If the proposed waiver request affects a program that requires the existence of a school site council, the Superintendent or designee shall obtain the school site council's approval of the request before presenting it to the Board. As appropriate, other councils or advisory committees, including bilingual advisory committees, shall be provided adequate opportunity to review a proposed waiver request, and the request shall include a written summary of any objections to the request by the councils or advisory committees. (Education Code 33051)

(Education Code 33050)

(cf. 6178.2 - Regional Occupational Center/Program)

The notice, which shall state the time, date, location, and subject of the public hearing and invite public testimony, may be printed in a newspaper of general circulation and/or posted at each school and three public places in the district.

(cf. 9320 - Meetings and Notices)

If the district determines that a waiver is needed for more than one year, the Board shall reapply to SBE. When the Board has requested and received the same general waiver from SBE
